*Leading Providers strives to provide objective research on professional services companies. Each of the wealth management firms presented above has completed and passed a rigorous certification process which includes an in-depth interview, a review of all SEC, FINRA and state securities licenses and filings, as applicable, and a quantitative analysis of key firm and market data. Providers do not pay a fee for completion of the aforementioned certification process. However, each of the providers presented above has helped offset the cost of purchasing this page and may, from time to time, purchase other marketing services from Leading Providers. Because not all providers choose to contribute to the cost of purchasing this page, some certified providers may not be listed. Leading Providers does not provide a ranking of providers, and this list should not be construed as a "Top 10" list or a complete list of providers that have completed the certification process. Leading Providers' evaluation of wealth managers is not based upon investment performance or client interviews, and, as such, no level of client satisfaction is implied by a provider's inclusion on this list nor should the reader infer any past or future investment performance. Although Leading Providers confirms that at the time of initial publication of this list that each provider included herein meets the general criteria above, no promise is made that they will continue to do so, or that a particular provider is appropriate for the reader's individual circumstance. Only you can determine this after your own independent inquiries. Any use of the information provided herein is at your own risk. Leading Providers disclaims all liability or responsibility for injury arising from your utilization of the information contained herein. Providers are listed in no particular order and no comparisons are made between the listed providers and any unlisted providers.
